In accordance with Department of Homeland Security Regulations (6 C.F.R. § 5.4(a)), USCIS uses a "cut-off" date to delineate the scope of a FOIA request by treating records created after that date as not responsive to that request. Therefore, in determining which records are responsive to your request, we will only include records in the possession of this agency as of November 21, 2018 the date we began the search for records.

Because of the subject matter and because of your demonstrated ability to disseminate information to the public, USCIS will grant this request for fee waiver.

Consistent with 6 C.F.R. § 5.5(a) of the Department of Homeland Security (DHS) FOIA regulations, USCIS processes FOIA requests according to their order of receipt. Although USCIS' goal is to respond within 20 business days of receipt of your request, FOIA does permit a 10-day extension of this time period in certain circumstances. Due to the increasing number of FOIA requests received by this office, we may encounter some delay in processing your request. Additionally, due to the scope and nature of your request, USCIS will need to locate, compile, and review responsive records from multiple offices, both at headquarters and in the field. USCIS may also need to consult with another agency or other component of the Department of Homeland Security that have a substantial interest in the responsive information. Due to these unusual circumstances, USCIS will invoke a 10-day extension for your request pursuant to 5 U.S.C. § 552(a)(6)(B). Please contact our office if you would like to limit the scope of your request or to agree on a different timetable for the processing of your request. We will make every effort to comply with your request in a timely manner.

In accordance with Department of Homeland Security Regulations (6 C.F.R. § 5.3(c)), your request is deemed to constitute an agreement to pay any fees that may be chargeable up to \$25.00. Fees may be charged for searching for records sought at the respective clerical, professional, and/or managerial rates of \$4.00/\$7.00/\$10.25 per quarter hour, and for duplication of copies at the rate of \$.10 per copy. The first 100 copies and two hours of search time are not charged, and the remaining combined charges for search and duplication must exceed \$14.00 before we will charge you any fees. Most requests do not require any fees; however, if fees in excess of \$25.00 are required, we will notify you beforehand.

The National Records Center (NRC) has the responsibility to ensure that personally identifiable information (PII) pertaining to U.S. Citizenship and Immigration Services (USCIS) clients is protected. In our efforts to safeguard this information, we may request that additional information be provided to facilitate and correctly identify records responsive to your request. Though submission of this information is voluntary, without this information, your request may be delayed while additional steps are taken to ensure the correct responsive records are located and processed. Further, if we are unable to positively identify the subject of the record we may be unable to provide records responsive to your FOIA request.
